

Power & Microwave Technologies Asia-Pacific Partners

POWER & ENERGY COMPONENTS

pakal-tech.com

Pakal Tech

New Si technology IGTO(t) (Insulated gate turn off), is a drop-in replacement for IGBT technology with significant improvements in efficiency.

Qorvo.com

Qorvo

Qorvo is a semiconductor company that designs, develops, and manufactures RF solutions and core technologies for wireless, wired, and power markets.

semi.com

SemiQ

Custom SiC Power Semiconductors for high-voltage applications. MOSFETs and Diodes in discrete, module, and bare die.

mspowergroup.com

MS Power

Leading manufacturer of bipolar power semiconductor products. Rectifiers and SCRs discrete and modules.

Ideal Power

idealpower.com

Ideal Power

Si Bidirectional semiconductor power switch. Bidirectional, Bipolar Junction Transistor (B-TRAN).

idealsemi.com

iDEAL Semiconductor

Ideal Semiconductor is an industry leader developer of next generation silicon power devices. 100-600V SuperQ MOSFET technology.

coolingsource.com

Cooling Source

Heat sink solutions, design, and thermal analysis. Extrusion, bonded fin, liquid cool plates.

aceinna.com

ACEINNA

Inertial Measurement Unit (IMU) & RTK navigation systems., Current Sensing technology, Magneto-Resistance (MR) and TMR Tunneling magneto Resistance.

vinatech.com

Vina ENESOL

Vina Enesol researches, develops, and produces supercapacitors, hybrid (LiC), and polymer capacitors as well as fuel cell materials.

For more product details and expanded line cards, visit rellpower.com/line-cards

Power & Microwave Technologies Asia-Pacific Partners

POWER & ENERGY COMPONENTS

alconelectronics.com

Alcon Electronics

Manufacturer of screw terminal type aluminum electrolytic capacitors power film and snubber capacitors.

quanticnow.com

Quantic Electronics

Quantic Eulex, Quantic Evans, Quantic Paktron, Quantic UTC. Capacitor technology, polymer film, hybrid wet tantalum, high frequency ceramic and multilayer ceramic capacitors.

amogreentech.com

Amogreentech

Magnetics, Thermal Magnetic EMI, Vent & Membrane, AMB Substrates, Energy Storage Solutions- including modules, racks, containers

capxongroup.com

CapXon

Screw, Snap-In, SMD, radial electrolytic capacitors, radial and SMD-type conductive polymer and hybrid polymer capacitors.

lsmaterials.co.kr

LS Materials

LS Materials is a leading manufacturer of Ultracapacitor Technology. LS offers ultracapacitors cells, modules and solutions.

kendeil.com

Kendeil

Electrolytic and power film capacitors, DC links, High-power inverter applications.

wakefieldthermal.com

Wakefield Thermal

Thermal extrusions, LED heat sinks, heat frames and pipes, fans, heat exchangers, coolant distribution units, liquid cool plates.

amotech.co.kr

Amotech

Manufacture of ESD/EMI solutions, BLDC motors & actuator, Multi-layer ceramic and Hi Q capacitors, Antenna (NFC/WPT, BT/WIFI, 5G).

rellpower.com

Richardson Electronics, Ltd.

Richardson Electronics provides end-to-end manufacturing services, including design, development, sourcing, and testing, with a focus on quick turnaround and rapid prototyping. With over 75 years of industry leadership, we deliver high-quality products and engineering support through a global network of innovative partners.
