Power & Microwave Technologies Asia-Pacific Partners

POWER & ENERGY COMPONENTS

[Learn More](#)

StarPower

StarPower designs and manufactures IGBT/SiC modules and customized modules.

[Learn More](#)

SemiQ

Custom SiC Power Semiconductors for high-voltage applications. MOSFETs and Diodes in discrete, module, and bare die.

[Learn More](#)

MS Power

Leading manufacturer of bipolar power semiconductor products. Rectifiers and SCRs discrete and modules.

[Learn More](#)

Qorvo

Battery Management Products: PAC Motor Controllers for Cell monitoring, cell balancing, short circuit protection, Over current charge / discharge protection, and low power hibernate.

[Learn More](#)

iDEAL Semiconductor

Ideal Semiconductor is an industry leader developer of next generation silicon power devices. 100-600V SuperQ MOSFET technology.

[Learn More](#)

RIR Power Electronics Ltd.

RIR Power Electronics Ltd. is a leading manufacturer of high-power semiconductor devices such as diodes, thyristors, rectifiers, and power modules.

[Learn More](#)

Wakefield Thermal

Thermal extrusions, LED heat sinks, heat frames and pipes, fans, heat exchangers, coolant distribution units, liquid cool plates.

[Learn More](#)

ACEINNA

Inertial Measurement Unit (IMU) & RTK navigation systems., Current Sensing technology, Magneto-Resistance (MR) and TMR Tunneling magneto Resistance.

[Learn More](#)

Cooling Source

Heat sink solutions, design, and thermal analysis. Extrusion, bonded fin, liquid cool plates.

[Learn More](#)

Ideal Power

Si Bidirectional semiconductor power switch. Bidirectional, Bipolar Junction Transistor (B-TRAN).

[Learn More](#)

LS Materials

LS Materials is a leading manufacturer of Ultracapacitor Technology. LS offers ultracapacitors cells, modules and solutions.

[Learn More](#)

Pakal Tech

New Si technology IGTO(t) (Insulated gate turn off), is a drop-in replacement for IGBT technology with significant improvements in efficiency.

Power & Microwave Technologies Asia-Pacific Partners

POWER & ENERGY COMPONENTS

[Learn More](#)

Alcon Electronics

Manufacturer of screw terminal type aluminum electrolytic capacitors power film and snubber capacitors.

[Learn More](#)

Exxelia

Exxelia manufactures complex passive components and precision subsystems for demanding applications in industries like aviation, space, defense, medical, and energy.

[Learn More](#)

Amogreentech

Magnetics, Thermal Magnetic EMI, Vent & Membrane, AMB Substrates, Energy Storage Solutions- including modules, racks, containers

[Learn More](#)

CapXon

Screw, Snap-In, SMD, radial electrolytic capacitors, radial and SMD-type conductive polymer and hybrid polymer capacitors.

[Learn More](#)

Amotech

Manufacture of ESD/EMI solutions, BLDC motors & actuator, Multi-layer ceramic and Hi Q capacitors, Antenna (NFC/WPT, BT/WIFI, 5G).

[Learn More](#)

Kendeil

Electrolytic and power film capacitors, DC links, High-power inverter applications.

Richardson Electronics, Ltd.

Richardson Electronics provides end-to-end manufacturing services, including design, development, sourcing, and testing, with a focus on quick turnaround and rapid prototyping. With over 75 years of industry leadership, we deliver high-quality products and engineering support through a global network of innovative partners.
